PLANNING
EXTENSION

On May 2, 1979, the City of Elgin, pursuant to ORS Ch. 197.251(1) (1977 Replacement Part), requested that its comprehensive plan and implementing measures be acknowledged by the Land Conservation and Development Commission in compliance with the Statewide Planning Goals.

The Commission reviewed the written report of the staff of the Department of Land Conservation and Development on September 6, 1979, regarding the compliance of the aforementioned plan and measures with the Statewide Planning Goals. The Commission found that the City of Elgin's comprehensive plan and implementing measures did not comply with Statewide Planning Goals adopted by this Commission pursuant to ORS Ch. 197.225 and 197.245. The Commission granted the City of Elgin a planning extension to July 1, 1980 to complete the work described in the report of the Commission.

On August 5, 1981, the City of Elgin requested an additional planning extension of 120 days to make its compliance revisions and request Acknowledgment.

Now, therefore, be it ordered that the City of Elgin be granted a planning extension to December 14, 1981 to complete necessary plan and implementing measure revisions to comply with the Statewide Planning Goals.
